SERTOMA: A curious word until three very important words come together in unison:
SERvice TO MAnkind

Sertoma is the third oldest civic organization in existence. Founded in 1912 in Kansas City, Missouri; the original club was built to aid in speech, hearing and language disorders. Today, that remains the national mission. Sertoma Clubs across the county also support community projects to promote freedom and democracy, to assist youth, and to benefit a variety of local community needs as identified by individual clubs.

Sertoma facts...

- ◆ There are approximately 13,000 Sertomans, both men and women, who belong to 500 clubs throughout the United States, Canada, Mexico and Puerto Rico.
- ◆ Sertoma Clubs raise more than \$20 million annually for community and international sponsorships.
- ◆ Queen City Sertoma is a 501(c)(3) not-for-profit. Contributions are tax deductible.

Please join us, together we can make a difference!

This application is recommended by:

Sertoman: _____

Date: _____

Approved by Club Board of Directors:

Date: _____

Club Secretary: _____

What we are all about...

Queen City Sertoma Club chartered on February 15, 1999. Created for women of all ages and professions, the club includes a diverse group of women in and out of the workforce. Whether you're working or retired, have no kids or many - we have a place in our club for you!

There is power in numbers, and with seven Sertoma clubs in Greene and Christian counties, each club provides for a different need in the community. We believe in working together to make a difference both as individual clubs and through collaborative efforts with other clubs.

Our primary sponsorship is the Boys & Girls Clubs of Springfield, whose mission is to provide a positive future for the community's at-risk children. Queen City Sertoma Club has also given funds to other deserving charities within our community, including The Rare Breed, The Victim's Center, Girls on the Run, and many more.

Our goal is to support these great charities within our community through fundraising and volunteering. And, in Sertoma fashion, we do this in a fun way that promotes new friendships and inter-club relations.

How we operate...

Queen City Sertoma Club meets every Monday evening (except holidays) at 5:30pm. We meet at The Sertoma Event Center at 1645 W. Republic Road in southwest Springfield. Meetings last one hour, and are a great way to stay updated on club business, hear presentations from community leaders, and enjoy the company of fellow Queen City Sertoma sisters.

We have no attendance requirements, but, like anything, you get out of it what you put into it. You can find your niche in Queen City by using your talents toward the betterment of the community. Whether you prefer to focus on planning fundraisers, helping with sponsorship programs, or volunteering at events, there is a place for you in Queen City Sertoma.

Join today for only \$20 by submitting the membership application in this brochure along with payment. Regular quarterly dues are \$50 and are due at the beginning of each quarter (annual discount is also available). This amount covers dues to Sertoma Inc, Heart of America Region and South Missouri/Arkansas District, as well as our club operating expenses.
